

Strawberry Marshmallow

INGREDIENTS:

1200 g sugar
600 g strawberry puree
696 g glucose
108 g sheet gelatin

Prepare a flat sheet pan with oil spray and place seran wrap over entire surface. Oil spray the top of seran wrap as well. Place a large rectangular frame onto prepared sheet pan and oil spray the inner sides of the frame. Set aside.

Soak gelatin in water.

Boil sugar, glucose, and puree together.

Once boiled, place in mixer and whip to medium peak.

Strain gelatin and melt in microwave. Add to mixer and continue whipping until combined.

Pour marshmallow into prepared frame and cover with oil sprayed seran wrap.
